Oxford Handbook for the Foundation Programme (4 ed.) 

Tim Raine, James Dawson, Stephan Sanders, and Simon Eccles

[Previous Edition \(3 ed.\)](#)

Abstract

The Oxford Handbook for the Foundation Programme returns for a new edition with clear and thorough clinical guidance and honest advice to help you excel in your first two years as a doctor. This new online edition has been fully updated in line with the latest guidelines from NICE, Resuscitation Council UK, and the British Thoracic Society among others. It gives you practical, step-by-step guidance on everything from neurological to gastroenterological presentations. Emergency presentations are highlighted in red and indexed to give you fast access to the information you need. This edition ... [More](#)
